STRATEGY BRIEF / 001
BEAR DOWN BANK
OCTOBER 2026

CARD OPERATIONS / EXECUTIVE RECOMMENDATION

Modernize 211 Cards Early.
Preserve the rest.

Prioritize non-contactless cards with more than 12 months until expiration, while allowing the other 1,482 cards to follow their normal replacement cycle.

RECOMMENDED INVESTMENT

$1,688

211 cards x $8 each

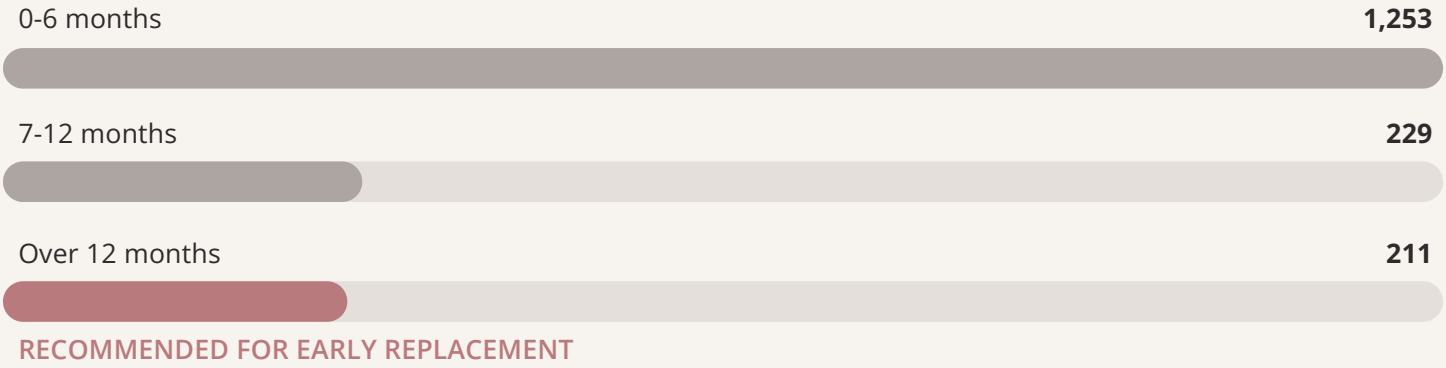

PRIORITY BATCH

211

Cards with 12+ months until expiration

01 / REPLACEMENT TIMING

1,693 NON-CONTACTLESS CARDS

Cards expiring within 12 months can follow their normal replacement cycle. Only the 211 cards with more than 12 months remaining are prioritized for early replacement.

02 / RECOMMENDED ACTION

Approve the $1,688 early replacement batch.

Prioritize the 12.5% of non-contactless cards with more than 12 months until expiration, while allowing the remaining 87.5% to follow their normal replacement cycle.
